Qazi Faez Isa (as he was rushed ordinance which then) struck down the was approved by the cabinet, the Supreme Court (Practice and Pro-"the people made it absocedure) Act, 2023, has been amended. The most striking part of the amendment is that bench constitution power now vests with the chief justice of Pakistan, the next found that judicial po--w-er can only be exersenior most judge, and a CJP nominee During hearings re-

On the 1973 Constigarding the validity of the law, Just-i--ce Munib Akhtar said the effect would be to make "the 1973 Constitution parliam-ent 'master of the has grown in stature and roster'. The court had has found acceptance in surrendered its indepenthe hearts and minds of dence and autonomy in so far as its internal promuch so that even the oncedure was concerned. slaughts on democracy By su-c--ceeding in their endeavour to exclude Ziaul Haq and Gen Pervez Justice Akhtar from the bench-making process, the government has completely vindicated his dissent.

Finally, the proposed constitutional amendments have been partly defended by the law minister. It was Justice Munir who borrowed Hans Kelsen's view that a successful coup d'état "was an internationally recognised method of changing a constitution".

thus the doctrine of necessity was given birth in our jurisprudence, and devastating years followed The idea of one centralised constitutional court is also a Kelsenian one, and he championed a single exclusive institution to deal with all constitutional questions (a concept the government is trying to transplant into

our common law jurisdiction). The legislature, in the words of Quaid-i-Azam, has the "gravest responsibility" as to how it takes decisions. Instead, attempts are being made to engineer a two-thirds majority; to make independent judges powerless; and to create an institution that would make the Supreme Court redundant. This should unite us

#### **Mahir Ali**

Over the past week, the Netanyahu regime may have succeeded in its endeavours to provoke a wider war. It isn't difficult to imagine what the Western reaction would have been to, say, Iran, Russia or China booby-trapping an adversary's communication devices. In the case of Israel, shock is superseded by awe.

Yet even admiration for the technical ingenuity of Mossad has not Ariel Sharon, who was ofprevented some commentators from acknowledging the terrorist aspects of a tactical success that qualifies as a war crime under international protocols to which Israel is a signatory. That masscasualty attack has been supplemented with conventional air strikes that have already claimed hundreds of lives. Hezbollah will almost certainly feel obliged to respond, despite being massively outgunned. The big question is whether Iran will stay aloof.

The US State Department notoriously are keen on the IDF stepmaintains a list of 'state sponsors of terrorism' that currently features Cuba, North Korea, Iran and Syria. Israel has obviously never been included. Nor has Pakistan - although it was previously seen as one of several 'safe havens' for militants. But its backing for the Afghan mujahideen in the 1970s-80s, co-sponsored by CIA and the Saudis, was never an issue. Nor its initial nurturing of the Taliban.

Israeli have rarely elicited any objection from Washington, never mind the terrorist antecedents of at least two of its prime ministers, Menachem Begin and Yitzhak Shamir, and the indulgent attitude of all other leaders towards international and 'domes- of international disputes tic' operations by its agencies that qualify as tion in fact qualifies as the it pursues its misanthropic

sponsors in the occupied and into the  $21^{\text{st}}$ . KOHAT (APP): Khyber initiated. This he said while addressing the Awami Jirga of Dara Adamkhel as a chief guest, which was organized by Deputy Commissioner Kohat Abdul Akram. Deputy Commissioner Kohat while highlighting the aims and objectives of the Jirga, said that the purpose of holding the "Awami Jirga" is to get the opinion and proposals of the elected representatives of Darra Adamkhel Tehsil, tribal leaders, elders and common man on this program for the rapid development of the

# Israel has landed heavy blows on Hezbollah

forward and prove their mettle

**Monitoring Desk** NEW YORK: It has been a devastating week for Hezbollah and the people of Lebanon.

Bombs hidden in the necessary" group's pagers and walkietalkies killed dozens of people and wounded thousands — many of them Hezbollah members. Israeli strikes on Beirut killed two of Hezbollah's top com-manders. And Israel has bombed what it said were 1,600 militant sites across large parts of Lebanon, killing hundreds of people and displacing thousands.

Israel says its objective is to secure its northern border so that tens of thousands of people who fled under Hezbollah fire nearly a year ago can return to their homes. But it's far from clear that its recent operations — as tactically successful as they were - will bring that about.
